One story living with an incredible view. High, vaulted ceilings in the island kitchen, great room, and owners suite won't make you feel like you are downsizing. This ranch-plus, open floorplan offers a first floor owners suite, a 2nd bedroom/office on the first floor, and an open loft flex/guest suite upstairs. The finished basement matches in quality, adds an additional living room, and offers tons of storage. This lot was chosen by the original owner (a landscaper architect) for the incredible pond view framed by mature trees. Enjoy your evenings with family/friends in the screened porch or cookouts on the deck.
